EXPLORING THE WILDS OF BOTSWANA ALONG WITH THE OPEN NATURAL WILDLIFE FILLED LANDSCAPES OF KENYA.

Great Plains Conservation presents their 13-day private Great African Flying Safari!

We are very proud to present our private flying adventure, exploring Botswana and Kenya on-board a Next Generation Pilatus PC12. This private safari brings a select number of guests the unique opportunity to experience the best of Botswana and Kenya - Africa's premier wildlife viewing destinations, on a safari often dreamed about.

Your Safari Highlights...

- Duba Plains, located in the northern reaches of Botswana's Okavango Delta, ranks as one of the best destinations to experience lions hunting during the day
- Zarafa Camp, with its impressive marquis styled tents and sweeping views across the Zibadianja lagoon, makes this Relais & Chateaux recognised property the ideal camp in which to explore the wonders of the 138 000 hectare Selinda Reserve
- Ol Donyo Lodge, Kenya's first Relais & Chateaux property, with Mount Kilimanjaro forming a constant backdrop whilst viewing some of Africa's largest tuskers
- Mara Plains, home to the largest cat population of lion and leopard in the greater Maasai Mara is now recognised as Kenya's second Relais & Chateaux property

- Any item or service not mentioned in the safari outline above
- Guests will have the option of contributing to the saving of one rhino per departure - more information will be supplied at the time of confirmation

"For me an expedition is about peeling back layers of the subject, a journey of location and the mind, of knowledge and wisdom, of thrills and meditation, science photography and creation."
- Derek Joubert

STANDARD TERMS AND CONDITIONS APPLY

Rates quoted above are based on a minimum total of guests as specified joining the safari.

Should less than 4 guests confirm their participation on a particular departure, a small surcharge may be required to confirm the departure.

Single supplement and rates are available on request at the time of enquiry.

We may, without notice and out our control, be forced to amend / change our routing or schedule of the safari.

Should this occur we will immediately advise you of the relevant changes, whilst endeavouring to adhere to the original routing as much as possible.

Should you want to book one of these once in a lifetime departures, contact the Great Plains Conservation reservations team at info@greatplainsconservation.com

"To understand big cats is not a day at the zoo. It's a well-crafted expedition to select big cat habitats, designed to give the best understanding."
