King Lewanika Lodge is situated with sweeping vistas over seasonally flooded grasslands, dotted with tree islands, pans and rivers. Off the beaten track and rarely visited it offers a deep sense of peace and tranquillity and is ideally suited for second-timers, or those looking for a different safari experience. Designed by acclaimed lodge architects, the property comprises 6 luxury villas, including a two-bedroomed family villa and is the only permanent camp in the national park. Wildlife is excellent with a massive wildebeest migration and unique animal behaviours - hyenas hunting in clans of up to 50 strong.
